

**FEDERAL UNIVERSITY OF SÃO CARLOS
BIOLOGICAL AND HEALTH SCIENCES CENTER
GRADUATE PROGRAM IN PHYSICAL THERAPY**

**PUBLIC NOTICE 1/2022
SELECTION PROCESS FOR THE MASTER'S AND DOCTORATE DEGREES IN
THE GRADUATE PROGRAM IN PHYSICAL THERAPY AT UFSCar IN THE 1st
SEMESTER OF 2022**

The coordinators of the Graduate Program in Physical Therapy at the Federal University of São Carlos (PPGFT/UFSCar) announce the selection process for admission to the **MASTER'S** and **DOCTORATE** degrees. The selection process will be governed by the following rules.

All phases of this public notice will be carried out exclusively and exceptionally remotely as a result of the COVID-19 pandemic period and suspension of on-campus activities at the Federal University of São Carlos (Ordinance GR No. 4380, of March 20, 2020).

1. Selection process

1.1. The selection process will be held for the places offered in the ample competition and reservation of places modalities in the respective lines of research of the PPGFT. The number of places in the ample competition is distributed among the faculty members in their respective lines of research and the reserved places will be distributed within the PPGFT lines of research, in compliance with UFSCar's Affirmative Action Policy. <https://www.propg.ufscar.br/pt-br/media/arquivos/gestao-do-conhecimento/normas/politica-de-acoes-afirmativas.pdf>

2. Public Disclosure Notice

2.1. The deadline for objecting to the Public Notice or requesting clarification regarding the text of the Public Notice will be 2 (two) days (see Schedule in Annex E). Requests of objecting to the Notice or clarifying the text of the Public Notice must be made exclusively by e-mail to PPGFT/UFSCar (ppgft@ufscar.br), giving the reasons on which it is based explicitly. The e-mail must be identified as follows: Objection / Public Notice 1/2022 or Clarification / Publication Notice 1/2022.

2.2. The result of the objection or clarification regarding the text of the Public Notice will be disclosed on the PPGFT/UFSCar website (www.ppgft.ufscar.br), according to the Schedule (Annex E).

3. Application

3.1. Regardless of the admission option (ample competition or reservation of places), the candidate must choose 1 (one) advisor according to the list available in Appendix A of this notice, and the candidate must check his/her option when filling out the application form (Annex B). Candidates who choose to reserve places for the Affirmative Action Policy in the Graduate Program at the Federal University of São Carlos must inform their status on the application form (Appendix B). The Ethnic and Racial Declaration and Declaration of Persons with Disabilities and the option to reserve places must be made in the admission process (Appendices B, C and D). The candidate is prohibited from applying for more than one type of process provided for in this notice. Those opting to participate in the selection process in the reservation of places modality will compete exclusively for reserved places.

Candidates with disabilities and/or specific needs must state in the application form (Appendix B) the special conditions necessary for their participation in this selection process.

3.2 The reports sent by persons with disabilities will be analyzed by a committee comprised of the selection committee. The reports must have been issued in the last 24 months.

3.3. In case of non-existence or an insufficient number of self-declared candidates foreseen in item 3.1, the places will be redistributed for ample competition.

3.4. Candidates can apply by filling out a form at the following link: <https://forms.gle/SiuZSyow5kjB2XSm6>. All documents must be attached and sent in PDF format in the form itself. Applications received by 6pm (Brasilia time) on 22 October, 2021 will be considered.

3.5. Documents required for application:

- Application form (Appendix B) duly completed and signed in the three places indicated: 1. UFSCar's PPGFT selection process, 2. Declaration of agreement with the Notice and 3. Declaration that the candidate has no link with members of the preliminary selection committee or declaration that the candidate has a link with members of the preliminary selection committee. N.B.: entries that are not signed in the three places indicated will be rejected.
- In the case of those who opt to reserve places, the ethnic and racial declaration or persons with disability (Appendices C and D).
- Curriculum Vitae, containing proof of the items that will be given a score in this notice (certified copies are not required), in accordance with Appendix F.
- Copies of RG and CPF documents.
- International students must present a copy of their passport or foreigner's identity card (RNE);
- Research Project (maximum of 20 pages, 12 Times New Roman font, 1.5 spacing and 2 cm margins). It must contain: Cover, Abstract, Introduction, Methods, Chronogram and References. Summary, Abstract and Attachments/Appendixes may be added and are not included in the 20 pages).

4. English language proficiency

4.1. The candidate must present, within 1 year after enrollment, proof of proficiency in English. Deaf and indigenous candidates whose second language is Portuguese are exempt from the obligation to present proof of proficiency in English. Except in these conditions, if the student does not prove proficiency within the established deadline, he/she will be removed from the PPGFT at UFSCar.

4.2. English language proficiency certificates that will be accepted, as well as the minimum score required, are listed in Table 1:

Table 1. Accepted certificates and respective minimum scores.

Accepted certificates	Minimum score/band
TOEFL – ITP (Institutional Testing Program, Paper-based Test)	460
TOEFL – iBT (Internet Based Test)	50
IELTS – International English Language Testing System	4
Cambridge English: Proficiency (CPE)	C
Cambridge English: Advanced (CAE)	C
Cambridge English: First (FCE)	C
TEAP (Test of English for Academic Purposes), administered by TESE Prime (http:// www.teseprime.org)	60
Proficiency Test in Foreign Languages administered by the Language Institute at UFSCar	6.0

5. Application approval/rejection

5.1. Only applications that meet all the required requirements and contain all the requested documents will be accepted.

5.2. Applications accepted and rejected (with reasons for rejection) will be disclosed on UFSCar's PPGFT website (www.ppgft.ufscar.br), according to the Schedule (Annex E).

5.3. Candidates whose registration was rejected may file an appeal within the period indicated in the Schedule (Annex E), giving the reasons on which they are based explicitly. The appeal request must be sent as a document in PDF format to the PPGFT e-mail (ppgft@ufscar.br). The e-mail must be identified as follows: Master's Rejection 2022 - NAME OF THE CANDIDATE/A or Doctorate Rejection 2022 - NAME OF THE CANDIDATE/A, for master's or Doctorate candidates, respectively. The appeal requests will be analyzed by the Postgraduate Committee in Physical Therapy (CPGFT) at UFSCar and after this analysis there will be a disclosure of the Final List of Candidates Enrolled, on the PPGFT website at UFSCar (www.ppgft.ufscar.br), of according to the Schedule (Annex E).

6. Members and Selection Committee

6.1. All faculty members accredited by the PPGFT/UFSCar are members of the preliminary selection committee.

6.2. At the discretion of CPGFT, external members may be invited to participate in the selection committee.

6.3. The final Selection Committee will carry out the functions and duties assigned to it in this notice, provided that it is joined by at least 3 (three) of its members.

6.4. Candidates must report any of the following situations in the Application Form, concerning any of the members of the Preliminary Selection Committee:

- a) A member who is or has been a spouse or partner, even if legally separated or divorced.
- b) A member who is an ascendant or descendant or collateral up to the 3rd degree by consanguinity or affinity;
- c) A member with whom the candidate, or their respective spouses, partners, blood relatives and the like up to the third degree, have a close friendship or notorious enmity;
- d) A member with whom he/she has a business;
- e) Other situations of impediment or suspicion provided for by law.

6.5. In the event of the existence of any links previously indicated in relation to any of the members of the Preliminary Selection Committee, the candidate must indicate which link(s) and with whom he or she is maintained.

6.6. Based on the information presented in the Application Form, the CPGFT will disclose the composition of the Provisional Selection Committee, excluding members who have links indicated with candidates who are definitely enrolled.

6.7. Candidates may, within the period established in the Schedule (Annex E), request the objection of any member of the Provisional Selection Committee, if they consider that there is a link with a candidate. This request must be substantiated and, when applicable, accompanied by supporting documents. The candidate may present this request for objection within the period indicated in the Schedule (Appendix E) which must be sent as a document in PDF format to the PPGFT e-mail address (ppgft@ufscar.br). The e-mail must be identified as follows: Objection Master's Committee 2022 NAME OF CANDIDATE or Objection Doctorate Committee 2022 NAME OF CANDIDATE, for master's or Doctorate candidates, respectively. Requests to object to a faculty member from the Preliminary Selection Committee will be analyzed by the CPGFT at UFSCar.

6.8. If a condition of objection is granted, the PPGFT Graduate Committee will immediately replace the member of the Provisional Selection Committee designated to comprise the boards, on the date provided for in the Schedule (Annex E).

6.9. The result of the judgment, succinctly pointing out the reasons for the validity or inadmissibility of the requests to object to a professor of the Preliminary Selection Committee, and the result of the members of the Selection Committee (comprised of 03 faculty members) will be published on the UFSCar PPGFT website (www.ppgft.ufscar.br) according to the Schedule (Annex E).

7. Number of places

7.1. The number of places for the master's and doctorate degrees is subject to the number of places that PPGFT/UFSCar faculty members will be able to offer in 2022 (Appendix A).

7.2. When applying for the Selection Process, candidates must opt for the **line of research** a single faculty member within the Program's lines of research, indicating the advisor.

7.3. From the total number of master's and doctorate positions offered by the PPGFT, a minimum of 25% will be reserved for the Affirmative Action Policy, with 20% for racial ethnic quotas and 5% for persons with disabilities. Reserved places are distributed proportionally to the number of places in each PPGFT line of research.

7.4. Thirty-four master's places will be offered, 25 for ample competition and 9 places for reservation and 26 for the doctorate, in which 19 are for ample competition and 7 places for reservation according to Appendix A.

8. Selection Process

The PPGFT/UFSCar Master's or Doctorate Selection Process will be carried out in two stages:

1st Stage DISCUSSION AND ANALYSIS OF RESEARCH PROJECT (elimination)

8.1. The date and time of the Analysis and Discussion of the Research Project of each candidate will be published on UFSCar's PPGFT website (www.ppgft.ufscar.br) according to the Schedule (Annex E).

8.2. The candidate will be awarded a score of 0 (zero) if, for any reason, he/she does not show up at the scheduled time for the Research Project to be discussed.

8.3. The Discussion and Analysis of the Research Project will be held on the Google Meet platform. **The candidate must prepare a presentation of up to 10 minutes with slides about their research project.** In the case of candidates with special needs that make the presentation in slide format impossible, their presentation will have the same amount of time without slides. UFSCar's PPGFT is not responsible for technical failures that may occur during the discussion.

8.4. In the Discussion of the Research Project, the criteria described in Appendix G will be evaluated. Each item will have a maximum score of 1.0 point, and the Discussion and Analysis of the Research Project step will have a score from 0 to 10.0.

8.5. Candidates who obtain a score equal to or greater than 7.0 will be approved in the Discussion and Analysis of Research Project.

8.6. The result of the 1st Stage will be published on UFSCar's PPGFT website (www.ppgft.ufscar.br) according to the Schedule (Annex E).

8.7. The result of the 1st Stage will be appealed, which must be presented within the period indicated in the Schedule (Annex E). The appeal request must be sent as a document in PDF format to the PPGFT e-mail (ppgft@ufscar.br). The e-mail must be identified as follows: Appeal 1st Stage Master 2022 NAME OF THE CANDIDATE or Appeal 1st Stage Doctorate 2022 NAME OF THE CANDIDATE, for master's or doctoral candidates, respectively. The disclosure of the result of the appeals in relation to the result of the 1st Stage will occur according to the Schedule (Annex E).

8.8. For candidates who declare special needs, resources will be made available by the PPGFT (in conjunction with the UFSCar institution) in accordance with the needs mentioned by the candidate in the application form.

2nd Stage CURRICULUM VITAE ANALYSIS (classifying)

8.9. The Curriculum Vitae will be scored according to the items presented in Appendix F. Each candidate will be assigned a grade in four groups: Group A – Academic and Scientific Background; Group B – Professional and Teaching Experience; Group C – Continuing Education and Group D – Scientific Production in the last 5 years, according to the supporting documents sent.

Then, each candidate's grade will be weighted in each group, concerning candidates who want the same advisor, as follows: candidates who obtain the highest grade in Group A will receive a score of 2.0; in Group B, they will receive a score of 2.0; in Group C, they will receive a score of 1.0 and in Group D, they will receive a score of 5.0. Then, the weighting (rule of 3) between the scores of the other candidates in each group will be carried out. Thus, the final grade will be obtained by the sum of the weighted scores of each group.

8.10. The result of the 2nd Stage will be appealed, which must be presented in the period indicated in the Schedule (Appendix E). The appeal request must be sent as a document in PDF format to the PPGFT e-mail (ppgft@ufscar.br). The e-mail must be identified as follows: Appeal 2nd Stage Master's 2022 NAME OF THE CANDIDATE or Appeal 2nd Stage Doctorate 2022 NAME OF THE CANDIDATE, for master's or doctorate candidates, respectively. The disclosure of the result of the resources in relation to the result of the 2nd Stage will occur according to the Schedule (Appendix E).

8.11. The result of the 2nd Stage will be published on UFSCar's PPGFT website (www.ppgft.ufscar.br) according to the Schedule (Appendix E).

9. Final classification of candidates in the selection process

9.1. Candidates who have obtained the highest grade in the arithmetic sum of the stages will be approved and invited for enrollment. Candidates opting for the reservation of places will be called in descending order of grade and respecting the maximum number of places per PPGFT line of research. Candidates opting for ample competition will be called following the descending order of grade and number of places per faculty member. If the reserved places are not filled, they will be allocated to candidates approved in the ample competition modality. The disclosure of the result will take place according to the Schedule (Annex E).

9.2. The following criteria will be used in case of a tie in this order: first, the highest score in the curriculum vitae according to the criteria in this notice, then the highest score in the Research Project, and finally the oldest candidate.

9.3. In case of an excess number of places, candidates approved in the ample competition or reservation of places modalities may be called for enrollment, according to the advisor's availability of places, number of reserved places and approval by the CPGFT.

10. Enrollment

10.1. The list of candidates selected by the Selection Process, respecting the places available by the line of research, will be published on the PPGFT website (www.ppgft.ufscar.br/index.php/processoseletivo) by the Selection Committee.

10.2. After disclosing the list of approved candidates (List of Approved 1st Call and Waiting List), all successful candidates must confirm their interest in the place in the course by filling out the form: <https://forms.gle/d9SMVF4xwngzPJbA9>

10.3. Candidates who do not express their interest in the place within the deadline will lose the right to enroll (according to the Schedule in Appendix E).

10.4. After completing the pre-enrollment, the PPGFT Secretariat will disclose the definitive list of candidates who must enroll by 09/03/2022. If the student has not yet obtained an undergraduate or master's degree, he/she must provisionally present the declaration of completion of the course or minutes of the master's defense (one file in PDF or JPEG).

10.5. Enrollments will not be accepted from students who do not prove, at the time of enrollment, completion of the undergraduate or academic master's course.

10.6. Conditional enrollment will not be admitted.

10.7. The validity of this selection process ends on 09/03/2022.

10.8. The results of this Selection Process are only valid for admission to the 2022 academic year and the deadline is 09/03/2022.

10.9. Documents required for master's Enrollment:

- Copy of RG and CPF;
- Copy of the Foreigner's Identity card (RNE) (for foreign candidates);
- Copy of undergraduate diploma, or provisional certificate or an equivalent document attesting the completion of the undergraduate course. The undergraduate diploma must be presented within one year of enrollment in UFSCar's PPGFT, otherwise the student will be asked to leave UFSCar's PPGFT;
- Copy of undergraduate transcript; and
- Copy of Professional Class Council Registration (CREFITO, CREF, COREN or other) or statement that Class Council registration is being provided for applicants who will develop clinical research projects. The document must be sent by email to PPGFT by June 30, 2022.

10.10. Documents required for Doctorate Enrollment:

Copy of RG and CPF;

- Copy of the Foreigner's Identity card (RNE) (for foreign candidates);
- Copy of undergraduate diploma,
- Copy of undergraduate transcript; and
- Copy of the master's degree, or provisionally, certificate or an equivalent document that proves the master's defense. The master's degree must be presented within a period of up to one year after enrollment in UFSCar's PPGFT, otherwise the student will be asked to leave UFSCar's PPGFT;
- Copy of the master's academic record; and
- Copy of Professional Class Council Registration (CREFITO, CREF, COREN or other) or statement that Class Council registration is being provided for applicants who will develop clinical research projects. The document must be sent by email to PPGFT by June 30, 2022.

11. Final dispositions

11.1 UFSCar reserves the right, at any time, to require candidates to prove the veracity of their statements or information provided in the Selection Process.

11.2 If any of the statements or information provided in the Selection Process for admission to the master's or Doctorate Degree Program in Physical Therapy are untrue, UFSCar may adopt one of the following measures, without prejudice to the applicable legal measures:

- a) reject the candidate's registration;
- b) disqualify the candidate;
- c) reject the registration of the candidate;
- d) cancel the enrollment of the enrolled candidate.

11.3 Any citizen, candidate or not, may also raise doubts as to the statements or information provided by the candidate to the Selection Process, issuing a substantiated statement, sent in writing to the Selection Committee.

11.4 The candidate will be assured the right to full defense and adversary proceedings.

11.5 There is no definition of the number of scholarships for candidates who begin the master's or Doctorate of PPGFT at UFSCar in 2022.

The other issues not provided for in this notice will be resolved by the CPGFT of UFSCar within its competence, according to the Internal Regulations and Internal Rules in force of the PPGFT of UFSCar.
